

About HOSPITEC

The Company was established in 1991 in New Delhi, INDIA on the assumption to develop the premier quality and international standard surgical products for the healthcare and medical sector. HOSPITEC is endowed with an excellent manufacturing environment. HOSPITEC has been in the medical supplies business for over 22 years. The products we manufacture are extensively used in a variety of fields like hospital & medical industry, food industry and chemical and pharmaceuticals industry.

The company has its own import and export license. The company is certified with ISO 9001:2008 and CE certification.

Products:

The product line consists of more than 200 items which include but not limited to non-woven products, surgical apparel, gowns, drapes, surgical kits, instrument covers, surgical towels, reusable towels, towels with fenestration, lap sponges, gauze pads, non-woven pads, cleaning towels, under pads, wide range of sharp containers etc.

The company is endowed with a team of professionals in manufacturing techniques, and management. The company is equipped with the state-of-art machinery to have a strong product development capability.

Quality Assurance:

At HOSPITEC quality holds the top priority. Every item passes through stringent quality checks at various stages of manufacturing before they are finally approved for delivery. Being an honest and dedicated company, HOSPITEC is committed in satisfying its customers from the beginning to reach new height by making unique quality products. Products are sterilized by either gamma radiation or by the EO method as per the requirement of the client. The products are designed in consultation with leading surgeons.

Our Mission:

To provide quality and cost-effective medical products with superior value to health care providers and end users, improving patient care and enhancing the quality of people's lives.
